[Company Story](#)

“Mattie's Hardwood Flooring has earned our highest award, Diamond Certified, and now we've added to our deep research on the company in this new Summary Update,” says Greg Louie, founder and CEO of American Ratings Corporation, creator of Diamond Certified Resource. “When you read their survey responses and see photos of their jobs, they really stand out as a fantastic hardwood floor company.”

Only companies that score Highest in Quality and Helpful Expertise earn Diamond Certified. What really separates Diamond Certified ratings from the star score averages at review sites is that a large, random sample of each company's customers are surveyed by phone to get the most accurate ratings and verify only *real* customers are responding. By surveying from a company's entire customer base, each company's research results truly represent its customer satisfaction level. Most companies can't pass the rating.
